4. The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(b) the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the United States.

Claim 3 is rejected under 35 U.S.C. 102(b) as anticipated by WO96/32471.

Applicant has failed to file a proper declaration, which claims priority prior to the filing date of the parent application Ser. No. 08/930,921. Upon receipt of a proper declaration to a date which would remove the patent WO96/32471 as a reference, the instant claim and any proper method or composition claims based on the allowed claim 3 would be considered for allowance of the this application.

5. **Claim 3 is not allowed.**

6. Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 CFR 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application.
